Customer must cause the System Administrator to perform such activities in accordance with generally accepted information security standards and Customer must cause the System Administrator to disable such access immediately upon the termination of employment or engagement of any Customer User by Customer or its Affiliate or when a Customer User otherwise is no longer eligible to access the Application pursuant to this GTC. Customer must notify RIB immediately, by telephone and in writing, of any change to its personnel who are authorized to act as a System Administrator for the Customer, including any limitations on the scope of requests each System Administrator is authorized to make and to disable access to the Application for a System Administrator whose employment, engagement or authorisation to access the Application is suspended or revoked.

RIB may at its sole discretion charge Customer additional fees for non-compliance at industry reasonable rates, which may constitute or include fees equal to further Licenses.

- (c) **Compelled Disclosure.** If either party is ordered by a court, administrative agency, or other governmental body of competent jurisdiction to disclose Confidential Information, or if it is served with or otherwise becomes aware of a motion or similar request that such an order be issued, then such party will not be liable to the other party for disclosure of Confidential Information required by such order if such party complies with the following requirements:

- (i) such party immediately must notify the other party of the motion or order by the most expeditious possible means;
 - (ii) such party must not oppose a motion or similar request by the other party for an order protecting the confidentiality of the Confidential Information, including not opposing a motion for leave to intervene by the other party; and (iii) such party must exercise reasonable efforts to assist the disclosing party's efforts to obtain an order protecting the confidentiality of the Confidential Information so disclosed.

10. Security, Privacy, and data protection. If Customer has purchased Hosting Services, RIB shall comply with the Information Security Requirements and shall use reasonable efforts to cause any subcontractor or agent having access to or maintaining any Customer Data to do so.

Additional privacy and security details are in the Data Processing Agreement. The commitments made in the Data Processing Agreement and Information Security Requirements Agreement only apply to the extent that the Application and Hosting Services are directly purchased from RIB and not from a RIB Service Partner. If Customer uses Application or Hosting Services that are hosted by a RIB Service Partner, that use will be subject to RIB Service Partner's Data Processing Agreement and Information Security Requirements Agreement, which may differ from RIB's.

11. Representations and Warranties; Disclaimers.

- (a) **Maintenance and Enhancements.** RIB will perform the Maintenance and Enhancements in a workmanlike manner using duly qualified and experienced personnel. Customer's sole remedy and RIB's sole liability and obligation for breach of the foregoing warranty will be for RIB, at its election, either to re-perform the Maintenance and Enhancements or to refund any fees paid to RIB with respect thereto.
- (b) **Consumer Law.** If any legislation states that there is a guarantee in relation to any Maintenance or Enhancements supplied by RIB in connection with this GTC, then RIB's liability for such failure is limited (at the RIB's election) to RIB supplying the Maintenance or Enhancements again or paying the cost of having the Maintenance and Enhancements supplied again. Nothing in this GTC excludes or disclaims any applicable consumer guarantees under any applicable Competition Consumer Laws.
- (c) **Representation And Warranty Disclaimers.** Subject always to clause 10(b), the express warranties and express representations of RIB set forth in this agreement are in lieu of, and RIB disclaims, any and all other warranties, conditions, or representations (express or implied, oral or written), with respect to the Licensed Materials or the services hereunder any part of the foregoing, including any and all implied warranties or conditions of title, non-infringement, merchantability, or fitness or suitability for any purpose (whether or not RIB knows, has reason to know,

has been advised, or otherwise is in fact aware of any such purpose), whether alleged to arise by law, by reason of custom or usage in the trade, by course of dealing, or otherwise. RIB expressly disclaims any warranty or representation to any person other than customer.

- (d) Other Disclaimers. Customer will be exclusively responsible as between the parties for, and RIB makes no representation or warranty with respect to, determining whether the Licensed Materials will achieve the results desired by Customer, ensuring the accuracy of any Customer Data, and selecting, procuring, installing, operating, and maintaining the technical infrastructure for Customer's access to the Licensed Materials (other than with respect to the Hosting Services, if provided). RIB shall not be liable for, and will have no obligations with respect to, any aspect of the Licensed Materials that is modified by any person other than RIB or its contractors, access to the Licensed Materials other than in accordance with the most current operating instructions provided by RIB, Malfunctions or other effects of problems, defects, or failures of software or hardware not provided by RIB or of acts or omissions of Customer or any third party. Customer acknowledges that the operation of the Licensed Materials will not be error free in all circumstances and that all defects in the Licensed Materials may not be corrected.

12. Intellectual Property Indemnification.

- (a) Indemnity. RIB shall defend, indemnify, and hold harmless Customer and its directors, officers, employees, and agents against any losses, damages, costs, and reasonable attorneys fees and court costs arising out of or related to an Infringement Claim and any settlements arising out of such a claim. RIB's obligations specified in this paragraph will be conditioned on Customer's notifying RIB promptly in writing of the Infringement Claim or threat thereof (whether or not litigation or other proceeding has been filed or served) and giving RIB full and exclusive authority for, and information for and reasonable assistance with, the defense and, subject to Customer's approval (which must not be withheld or delayed unreasonably), settlement of such claim and any subsequent appeal.
- (b) RIB's Mitigation. If an Infringement Claim has occurred or in RIB's reasonable opinion is likely to occur, Customer agrees to permit RIB, at RIB's option and expense, to (i) procure for Customer the right to continue using the Licensed Materials, (ii) replace or modify the same so that they become non-infringing but provide Customer substantially similar or better capabilities, or (iii) if RIB reasonably determines that both of the foregoing are technically impracticable or commercially infeasible, immediately terminate both parties' respective rights and obligations under this Agreement with respect to the infringing Licensed Materials, in which case Customer must return to RIB all copies of such Licensed Materials in its possession or control and RIB shall refund to Customer the applicable license fees paid by Customer for the then-current Term prorated for the portion of the Term up to the date of such termination.
- (c) Exceptions. The foregoing notwithstanding, RIB shall have no liability for, and Customer will defend, indemnify, and hold harmless RIB, its Affiliates, and their respective directors, officers, employees, and agents, against any losses, damages, costs, and reasonable attorneys fees and court costs arising out of or related to a claim and any settlements arising from (i) the combination, operation, or use or access to any Licensed Materials with equipment, devices, or software not supplied by RIB if such claim would not be valid but for such combination, operation, or use, (ii) modification of any Licensed Materials other than by or on behalf of RIB, (iii) RIB's compliance with Customer's written designs, specifications, or instructions, or (iv) Customer's use of or access to the Licensed Materials after RIB has informed Customer by written notice of modifications or changes in the Licensed Materials required to avoid such claims if such claim would have been avoided by implementation of RIB's recommended modifications and RIB has offered to pay Customer's out-of-pocket costs of implementing any such modifications.
- (d) EXCLUSIVE REMEDY. THE FOREGOING STATES THE ENTIRE OBLIGATION OF RIB, AND THE EXCLUSIVE REMEDY OF CUSTOMER, WITH RESPECT TO THIRD-PARTY CLAIMS REGARDING INFRINGEMENT OF INTELLECTUAL PROPERTY OR PROPRIETARY RIGHTS AND MISAPPROPRIATION OF TRADE SECRETS OR CONFIDENTIAL INFORMATION.

13. Breach; Termination; Disposition of Data.

- (a) Notice of Breach; Cure Period. In the event of a breach of a provision of this Agreement, the notice and cure procedures set forth in this paragraph shall apply. The non-breaching party must give the breaching party notice describing the breach and stating the time, as provided herein, within which the breach must be cured. If a provision of this Agreement sets forth a cure period for the breach in question, then that provision shall take precedence over any cure period set forth in this paragraph. No cure period shall be required, except as may be provided otherwise in this Agreement, if this Agreement sets forth specific deadline dates for the obligation allegedly breached. If the

breach is of an obligation to pay money, the breaching party shall have five business days to cure the breach after written notice thereof by the non-breaching party. If the breach is a material breach of an obligation relating to the other party's Confidential Information, including Customer's use of or access to or disclosure of the Application other than in compliance with the license granted in this Agreement, then the non-breaching party, in its sole discretion, may specify in the notice of breach that no cure period will be permitted. If the breach is other than a breach of the kind described above in this paragraph, then the cure period will be 30 days after the notice of the breach by the non-breaching party.

(b) **Termination.** If a breach of any provision of this Agreement has not been cured at the end of the applicable cure period, if any (or upon such breach if no cure period is permitted), then the non-breaching party thereupon may terminate this Agreement by notice to the other party. Notwithstanding any other provision of this Agreement to the contrary, Customer may terminate this Agreement at any time upon thirty (30) days' prior written notice to RIB, provided that Customer remains liable and agrees to pay 100% of the license fees for the Subscription Term set forth in the Quote, or the then applicable license fees, and no refund will be given unless RIB is in breach of this Agreement. Termination of this Agreement shall cause termination of Customer's rights to access and use all licenses granted to Customer herein. This Agreement and the licenses granted to Customer herein shall terminate automatically, to the extent permitted by applicable law in the jurisdiction or jurisdictions in question, if Customer makes an assignment for the benefit of its creditors, files a petition for bankruptcy, receivership, reorganization, or other like proceeding under any present or future debtor relief law (or is the subject of an involuntary such petition or filing that is not dismissed within 60 days after the effective filing date thereof), or admits of a general inability to pay its debts as they become due. Any termination of this Agreement shall be in addition to, and not in lieu of, any other rights or remedies available at law or in equity.

(c) **Automatic Renewal.**

The parties agree that the relevant subscription shall be automatically extended by 12 months in each case at the expiry of any then-current Subscription Term, unless Customer terminates the Agreement by providing one (1) months prior written notice to the end of the Subscription Term which is set forth in the Quote, or which has been automatically extended, subject to this clause.

(d) **Disposition of Customer Data.** If Customer has purchased Hosting Services, upon Customer's written request within 30 days following the expiration or any termination of this Agreement, RIB promptly shall deliver to Customer a copy of the Customer Data in a mutually-agreed electronic format. RIB shall bill Customer at its then-standard hourly rate (or, if none, a reasonable rate) for such work and Customer must pay such invoice promptly prior to receipt of the Customer Data. Customer's failure to so request a copy of the Customer Data within such time shall be deemed a request by Customer for RIB to destroy the Customer Data pursuant to the applicable terms in the Quote. Promptly after RIB's delivery of such copy of the Customer Data, or upon such a deemed request, RIB shall destroy the Customer Data; provided, however, that to the extent RIB is required by applicable law or legal process to retain any portion of the Customer Data, or to the extent that destruction of any Customer Data is infeasible, RIB shall retain such Customer Data as though it were Confidential Information for such time as is required by such law or process or until destruction is no longer infeasible, after which RIB promptly shall destroy the Customer Data.

14. Risk Allocation.

(a) **EXCLUSION OF INDIRECT DAMAGES.** EXCEPT WITH RESPECT TO CUSTOMER'S ACCESS TO OR DISCLOSURE OF THE APPLICATION OTHER THAN IN COMPLIANCE WITH THE LICENSE GRANTED IN THIS AGREEMENT, NEITHER PARTY WILL BE LIABLE TO THE OTHER PARTY (NOR TO ANY PERSON CLAIMING RIGHTS DERIVED FROM THE OTHER PARTY'S RIGHTS) FOR INCIDENTAL, INDIRECT, CONSEQUENTIAL, SPECIAL, PUNITIVE, OR EXEMPLARY DAMAGES OF ANY KIND (INCLUDING LOST PROFITS, LOSS OF OR DAMAGE TO DATA, LOSS OF BUSINESS, OR OTHER ECONOMIC DAMAGE), WHETHER ARISING IN CONTRACT, TORT (INCLUDING NEGLIGENCE) OR OTHERWISE, AND REGARDLESS OF WHETHER THE PARTY LIABLE OR ALLEGEDLY LIABLE WAS ADVISED, HAD OTHER REASON TO KNOW, SHOULD HAVE ANTICIPATED, OR IN FACT KNEW OF THE POSSIBILITY THEREOF. IN NO EVENT SHALL EITHER PARTY BE LIABLE FOR COSTS OF PROCUREMENT OF SUBSTITUTE GOODS BY ANYONE. THE PROVISIONS OF THIS PARAGRAPH ARE INDEPENDENT OF, SEVERABLE FROM, AND TO BE ENFORCED INDEPENDENTLY OF ANY OTHER ENFORCEABLE OR UNENFORCEABLE PROVISION OF THIS AGREEMENT.

- (b) **MAXIMUM AGGREGATE LIABILITY.** EXCEPT WITH RESPECT TO CUSTOMER'S ACCESS TO OR DISCLOSURE OF THE APPLICATION OTHER THAN IN COMPLIANCE WITH THE LICENSE GRANTED IN THIS AGREEMENT, IN NO EVENT SHALL A PARTY'S AGGREGATE LIABILITY TO THE OTHER PARTY (INCLUDING LIABILITY TO ANY PERSON OR PERSONS WHOSE CLAIM OR CLAIMS ARE BASED ON OR DERIVED FROM A RIGHT OR RIGHTS CLAIMED BY OR THROUGH SUCH PARTY), WITH RESPECT TO ANY CLAIM ARISING FROM OR RELATED TO THE SUBJECT MATTER OF THIS AGREEMENT, IN CONTRACT, WARRANTY, TORT (INCLUDING NEGLIGENCE), OR OTHERWISE, EXCEED THE LICENSE OR SUBSCRIPTION FEES PAID UNDER THIS AGREEMENT DURING THE 12-MONTH PERIOD IMMEDIATELY PRECEDING THE ACT GIVING RISE TO SUCH CLAIM. THE PROVISIONS OF THIS PARAGRAPH ARE INDEPENDENT OF, SEVERABLE FROM, AND TO BE ENFORCED INDEPENDENTLY OF ANY OTHER ENFORCEABLE OR UNENFORCEABLE PROVISION OF THIS AGREEMENT.
- (c) **Intentional Risk Allocation.** Each party acknowledges that the provisions of this Agreement were negotiated, as a material part of the agreement memorialized herein, to reflect an informed, voluntary allocation between them of all risks (both known and unknown) associated with the transactions involved with this Agreement. The warranty disclaimers and limitations in this Agreement are intended, and have as their essential purpose, to limit the circumstances of liability. The remedy limitations and the limitations of liability are separately intended, and have as their essential purpose, to limit the forms of relief available to the parties.

15. Marketing. RIB must not display or use Customer's logos, trademarks, service marks, or other indicia of origin without Customer's prior written consent (which may be given in email) in its sole discretion, and any such consent may be revoked at any time upon reasonable advanced written notice from Customer to RIB. RIB shall not acquire any intellectual property rights in any such logos, trademarks, service marks, or other indicia of origin.

16. Other Provisions.

- (a) **Notice.** Except as otherwise expressly provided herein, notices regarding the Application or the Agreement shall be given under this Agreement in writing in the English language, signed by the party giving the same, and shall be given personally (in which case such notices shall be deemed given when so delivered), by certified or registered Mail to the Customer Address or Supplier Address as specified on the Quote, in which case such notices shall be deemed given on the third business day after deposit), or by email to the email addresses specified in the Customer Contract Details as specified in the Quote (in which case notice shall be deemed effective when sent, whether or not the other party actually receives the email): Each party is responsible for ensuring that the email address(es) provided to the other party is accurate and current. Either party may change its mailing or email address(es) for purposes of notice by written notice thereof to the other party.
- (b) **Nature of Relationship; Subcontractors.** RIB shall perform its obligations hereunder as an independent contractor to Customer. Subject to the provisions of this Agreement regarding confidentiality, RIB may perform its obligations hereunder through its employees and through subcontractors who are bound to the same terms and conditions of the Agreement as RIB, to the extent applicable to their respective services. Nothing contained herein shall be deemed to create any agency, partnership, joint venture, or other relationship between the parties or any of their affiliates, and neither party shall have the right, power, or authority under this Agreement to create any duty or obligation on behalf of the other party.
- (c) **Force Majeure.** Neither party shall be liable for any failure to perform its obligations under this Agreement if such failure arises, directly or indirectly, out of causes reasonably beyond the direct control of such party and not due to such party's own fault or negligence or that of its contractors or representatives or other persons acting on its behalf, and which cannot be overcome by the exercise of due diligence and which could not have been prevented through commercially reasonable measures, including acts of God, acts of terrorists or criminals, acts of domestic or foreign governments, change in any law or regulation, fires, floods, explosions, epidemics, disruptions in communications, power, or other utilities, strikes or other labor problems, riots, or unavailability of supplies.
- (d) **Injunctive Relief.** Each party acknowledges that any violation of its covenants in this Agreement relating to the other party's Confidential Information and intellectual property would result in damage to such party that is largely intangible but nonetheless real and that is incapable of complete remedy by an award of damages. Accordingly,

any such violation shall give such party the right to a court-ordered injunction or other appropriate order to enforce specifically those covenants without bond and without prejudice to any other rights or remedies to which such party may be entitled as a result of a breach of this Agreement.

- (e) **Legal Fees.** If litigation or other action is commenced by a party to enforce this Agreement or between the parties concerning any dispute arising out of or relating to this Agreement, the prevailing party will be entitled, in addition to any other award that may be made, to recover all court costs and other official costs and all reasonable expenses associated with the litigation or other action, including reasonable fees and expenses of counsel.
- (f) **Assignment.** A party may transfer or assign some or all of its rights under this Agreement only with the express prior written consent of the other party, which may be granted or withheld in such party's sole discretion; provided, however, that a party may assign all of its rights hereunder indivisibly to any wholly-owned subsidiary of such party or to such party's parent entity or to any wholly-owned subsidiary of such parent entity, or in any merger or similar transaction, or to a purchaser of substantially all of such party's assets, upon notice to the other party so long as (i) such assignee is not a competitor of the other party and (ii) such assignee assumes in writing all of such party's obligations under this Agreement. Any purported transfer or assignment by a party of any right under this Agreement otherwise than in accordance with the provisions of this paragraph shall be null and void and a breach of this Agreement. RIB may subcontract or delegate the performance of some or all its obligations under this Agreement pursuant to Section 15(b) without notice to the Customer, provided always that RIB remains liable for its subcontractor's or delegate's performance of such obligations.
- (g) **Successors and Assigns.** This Agreement will be binding upon and inure to the benefit of the parties and their successors and assigns permitted by this Agreement.
- (h) **No Third-Party Beneficiaries.** Except as otherwise expressly set forth herein, nothing in this Agreement is intended to confer, nor must anything herein confer, upon any person other than the parties and the respective successors or assigns of the parties, any rights, remedies, obligations, or liabilities whatsoever. If the governing law is laws of England and Wales, any terms of this Agreement shall be enforced under the Contracts (Rights of Third Parties) Act 1999.
- (i) **Entire Agreement.** This Agreement constitutes the entire agreement between the parties concerning the subject matter hereof. No prior or contemporaneous representations, inducements, promises, or agreements, oral or otherwise, between the parties with reference thereto will be of any force or effect. Each party represents and warrants that, in entering into and performing its obligations under this Agreement, it does not and will not rely on any promise, inducement, or representation allegedly made by or on behalf of the other party with respect to the subject matter hereof, nor on any course of dealing or custom and usage in the trade, except as such promise, inducement, or representation may be expressly set forth herein.
- (j) **Survival.** The covenants herein concerning Confidential Information, indemnification, post-termination procedures, and any other provision that, by its nature, is intended to survive this Agreement shall survive any termination or expiration of this Agreement.
- (k) **Export jurisdiction.** The Application contain or may contain components and/or technologies from the United States of America ("US"), the European Union ("EU") and/or other nations. Customer acknowledges and agrees that the supply, assignment and/or usage of the products, software, services, information, other deliverables and/or the embedded technologies (hereinafter referred to as "Deliverables") under this Agreement shall fully comply with related applicable US, EU, and other national and international export control laws and/or regulations
 - i Unless applicable export license/s has been obtained from the relevant authority and RIB has approved, the Deliverables shall not be exported and/or re-exported to any destination and party (may include but not limited to an individual, group and/or legal entity) restricted by the applicable export control laws and/or regulations; or be used for those purposes and fields restricted by the applicable export control laws and/or regulations. Customer also agrees that the Deliverables will not be used either directly or indirectly in any rocket systems or unmanned air vehicles; nor be used in any nuclear weapons delivery systems; and will not be used in any design, development, production or use for any weapons which may include but not limited to chemical, biological or nuclear weapons.

- ii If any necessary or advisable licenses, authorizations or approvals are not obtained, whether arising from inaction by any relevant government authority or otherwise, or if any such licenses, authorizations or approvals are denied or revoked, or if the applicable export control laws and/or regulations would prohibit RIB from fulfilling any order, or would in RIB's judgment otherwise expose RIB to a risk of liability under the applicable export control laws and/or regulations if it fulfilled the order, RIB shall be excused from all obligations under such order and/or this Agreement.
- (l) Amendment and Waiver. Except as otherwise expressly provided herein, no modification or amendment to this Agreement will be valid or binding unless in writing and duly executed by the party or parties to be bound thereby. The failure of either party at any time to require performance by the other party of any provision of this Agreement shall in no way affect the right of such party to require performance of that provision. Any waiver by either party of any breach of this Agreement shall not be construed as a waiver of any continuing or succeeding breach of such provision, a waiver of the provision itself, or a waiver of any right under this Agreement.
- (m) Severability. If any provision of this Agreement is ruled wholly or partly invalid or unenforceable by a court or other body of competent jurisdiction, then (i) the validity and enforceability of all provisions of this Agreement not ruled to be invalid or unenforceable will be unaffected; (ii) the effect of the ruling will be limited to the jurisdiction of the court or other body making the ruling; (iii) the provision held wholly or partly invalid or unenforceable shall be deemed amended, and the court or other body is authorized to reform the provision, to the minimum extent necessary to render them valid and enforceable in conformity with the parties' intent as manifested herein; and (iv) if the ruling or the controlling principle of law or equity leading to the ruling subsequently is overruled, modified, or amended by legislative, judicial, or administrative action, then the provision in question as originally set forth in this Agreement shall be deemed valid and enforceable to the maximum extent permitted by the new controlling principle of law or equity.
- (n) Headings. The headings of the sections used in this Agreement are included for convenience only and are not to be used in construing or interpreting this Agreement.
- (o) Counterparts. This Agreement may be executed in any number of counterparts, each of which will be considered an original, but all of which will constitute one and the same instrument. A party who has executed a counterpart of this Agreement may deliver it to, or exchange it with, another party by faxing or emailing a pdf (portable document format) copy of the executed counterpart to that other party.
